Pierre ALQUIER

Professeur
Département: Systèmes d'Information, Data Analytics et Opérations
ESSEC Business School
5 Nepal Park
139408 Singapore
Singapour

Email: b00809923@essec.edu

INTERETS DE RECHERCHE

Analyse des données statistiques, Théorie des probabilités et statistiques, Bayesian methods,

FORMATION

2013 Habilitation à diriger des recherches, Université Pierre et Marie Curie (UPMC), France
Constributions to Statistical Learning in Sparse Models

2006 PhD (mathematical statistics), Université Pierre et Marie Curie (UPMC), France

Transductive and Inductive Adaptative Inference for Density and Regression Estimation

2003 MSc in Probability Theory and Statistics, Université Pierre et Marie Curie (UPMC), France

2003 Diplôme de statisticien-économiste, L'École nationale de la statistique et de l'administration économique (ENSAE), France

EXPERIENCE PROFESSIONNELLE

Positions académiques principales

2023 - Présent Professeur, ESSEC Business School, Singapour

Autres affiliations académiques

2019 - 2022 Chargé de recherches, RIKEN, Japon

2014 - 2019 Professeur, L'École nationale de la statistique et de l'administration économique (ENSAE), France

2012 - 2014 Lecturer, University College of Dublin, Irlande

2007 - 2012 Maître de Conférences, Université Paris Diderot (Paris VII), France

2006 - 2007 A.T.E.R., Université Paris Dauphine-PSL, France

BOURSES, PRIX ET DISTINCTIONS

Prix et Distinctions

2019 Best Paper Award, Asian Conference on Machine Learning, Japon

Bourses

2026 CY Initiative - programme Horizon: Safe Decisions via Adaptive Learning of Time Series (SafeTime), CY Cergy Paris Université, France

PUBLICATIONS

AUTRES ACTIVITES DE RECHERCHE

Co-direction d'une revue

2025 - 2026	Statistics and Computing
Depuis 2025	The Electronic Journal of Statistics
2022 - 2024	Transactions of Machine Learning Research
Depuis 2020	Journal of Machine Learning Research

Membre d'un comité de lecture

2020 - 2022	Entropy

Organisation d'une conférence

2026	Organisation d'une session à IMS Pacific Rim Meeting: Statistical Learning Theory with Dependent/Markov Observations, Université chinoise de Hong Kong, Chine
2026	Co-organizer of the CREAR workshop: Advances in Risk Analysis & Management: A focus on Emergent Risks, ESSEC CREAR, France
2025	CNRS-SMU-ESSEC Mini-workshop: Statistical Methods in Machine Learning and AI, ESSEC Business School, Singapour
2024	The 13th Workshop on High Dimensional Data Analysis (HDDA-XIII), ESSEC Business School, Singapour
2024	Interpretable Inference via Principled BNP Approaches in Biomedical Research and Beyond, National University of Singapore, Singapour
2024	CNRS@CREATE -- ESSEC APAC workshop, ESSEC Business School, Singapour
2024	Approximate Inference in Theory and Practice Conference, Institut Henri Poincaré, France

Affiliations

Depuis 2026	Member of the Research Section Committee of the Royal Statistical SocietyMember of the Research Section Committee of the Royal Statistical Society, Royal Statistical Society, Royaume-Uni
2025 - 2028	Member of the ALT Steering Committee, Association for Algorithmic Learning Theory (AALT)

Depuis 2026	Membre, Royal Statistical Society, Royaume-Uni
Depuis 2022	Member, Société Française de Statistique (SFdS), France
Depuis 2022	Member, Société de Mathématiques Appliquées et Industrielles (SMAI), France
Depuis 2022	Member, Société Mathématique de France (SMF), France
Depuis 2022	Member, European Mathematical Society (EMS)
Depuis 2014	Member, IMS - Bernoulli Society, États-Unis

Supervision de thèses / HDR

2026	E. M. KHRIBCH (ESSEC Business School), Co-directeur de thèse, Premier Poste : Post-Doc, ANR BACKUP (Sorbonne Université et Université-Paris Saclay)
2023	A. ROSIER (Université Paris X Nanterre), Co-directeur de thèse, Premier Poste : Enseignant-chercheur à l'école d'ingénieurs ESME
2020	B.-E. CHÉRIEF-ABDELLATIF (L'École nationale de la statistique et de l'administration économique (ENSAE)), Directeur de thèse, Premier Poste : Post-doctoral researcher, University of Oxford
2019	L. CAREL (L'École nationale de la statistique et de l'administration économique (ENSAE)), Directeur de thèse, Premier Poste : Machine learning scientist, Expedia group
2017	V. COTTET (L'École nationale de la statistique et de l'administration économique (ENSAE)), Co-directeur de thèse, Premier Poste : Senior statistician, INSEE
2017	T. T. MAI (L'École nationale de la statistique et de l'administration économique (ENSAE)), Directeur de thèse, Premier Poste : Post-doctoral researcher, University of Oslo
	V. KARAGULYAN (ESSEC Business School), Co-directeur de thèse
	V. VIDRIL (CY Cergy Paris Université), Co-directeur de thèse

Autres activités de recherche

Depuis 2024	arXiv moderator, arXiv, États-Unis
2027	ICML 2027: Senior Area Chair, International Machine Learning Society (ICML), États-Unis
2027	ALT 2027: senior PC member, Association for Algorithmic Learning Theory (AALT), Pays-Bas
2026	The 15th Workshop on High Dimensional Data Analysis (HDDA-XV) - Member of the Scientific Committee, İstanbul Medipol Üniversitesi, Turquie
2026	ICML 2026: Senior Area Chair, International Machine Learning Society (ICML), Corée du Sud
2026	Membre du comité scientifique des journées "Time series analysis and deep learning", Université Jean Monnet (Saint-Etienne), France
2026	AISTATS 2026: Journal-to-conference track Chair, The Society for AI and Statistics, Maroc

2026 ALT 2026: PC Chair, Association for Algorithmic Learning Theory (AALT), Canada

2025 The 14th Workshop on High Dimensional Data Analysis (HDDA-XIV) - Member of the Scientific Committee, Central Michigan University, États-Unis

2025 ICML 2025: Senior Area Chair, International Machine Learning Society (ICML), Canada

2025 ALT 2025: PC chair, Association for Algorithmic Learning Theory (AALT), Italie

2025 Bayes Comp 2025: Member of the Scientific program committee, National University of Singapore, Singapour

2025 12ème Journées d'Econométrie de la Finance -- Membre du comité scientifique, Université Mohammed V, Maroc

2025 AISTATS 2025: Journal-to-conference track Chair, The Society for AI and Statistics, Thaïlande

2025 ICLR 2025: Workshop Chair, International Conference on Learning Representations (ICLR), Singapour

2024 COLT 2024: senior PC member, Association for Computational Learning (ACL), Canada

2024 ALT 2024: senior PC member, Association for Algorithmic Learning Theory (AALT), États-Unis

2023 ACML 2023: PC chair, Asian Conference on Machine Learning, Turquie

2023 COLT 2023: senior PC member, Association for Computational Learning (ACL), Inde

2023 ALT 2023: senior PC member, Association for Algorithmic Learning Theory (AALT), Singapour

2022 NeurIPS 2022: AC (area chair), Neural Information Processing Systems foundation, États-Unis

2022 COLT 2022: PC chair, Association for Computational Learning (ACL), Royaume-Uni

2022 AISTATS 2022: AC (area chair), The Society for AI and Statistics

2021 NeurIPS 2021: AC (area chair), Neural Information Processing Systems foundation, États-Unis
