

# Albert C. BEMMAOR

Professeur émérite

Département: Marketing  
ESSEC Business School  
3 avenue Bernard Hirsch  
95021 Cergy-Pontoise  
France

Email: bemmaor@essec.edu  
Numéro de téléphone: +33 (0)1 34 43 30 43  
Pays d'origine: France

## INTERETS DE RECHERCHE

---

Modèles marketing, Comportement du consommateur, Marketing et analyses des données

## FORMATION

---

1978 Ph.D. en Management, Purdue University, États-Unis  
1973 MBA, Columbia University, États-Unis  
1971 MSc. en Management, ESC Marseille, France

## EXPERIENCE PROFESSIONNELLE

---

### Positions académiques principales

2021 - Présent Professeur émérite, ESSEC Business School, France  
1980 - 2021 Professeur, ESSEC Business School, France

### Autres affiliations académiques

2004 - 2004 Professeur Visitant, Institute of Management, University of Vienna, Austria, March 2001 and May 2004, Université de Vienne, Autriche  
2001 - 2001 Professeur visitant, Université de Vienne, Autriche  
1982 - 1982 Chercheur Visitant, Stanford Graduate School of Business, États-Unis  
1978 - 1980 Professeur assistant, Université de Chicago, États-Unis

## BOURSES, PRIX ET DISTINCTIONS

---

### Prix et Distinctions

2021 Invité par l'Université Amity à Delhi à faire une Conférence en ligne auprès des professeurs sur ses onze campus en Inde et à l'extérieur, soit 175,000 personnes, Amity University  
2017 Certificat de Contribution Exceptionnelle à la Relecture ("Outstanding Contribution to Reviewing") pour International Journal of Research in Marketing  
2016 Relecteur Distingué, International Journal of Research in Marketing  
2016 Keynote speaker, PsyCHIC (Psychology, Consumer Heterogeneity, Information, Communication), U. Paris 13., Université Sorbonne Paris Nord (XIII), France

- 2014 Top 10% des auteurs les plus publiés des 50 dernières années de Journal of Marketing Research (Source: "The Topical History of JMR," Journal of Marketing Research, Feb' 2014). Classé septième avec le paramètre de centralité dans une communauté influente de plus de 30.000 chercheurs en Marketing Quantitatif (Customers Needs and Solutions, 2015, 91-104)., Sage Publications
- 2005 Member of the Selection Committee for the Best Paper published in International Journal of Research in Marketing, European Marketing Academy
- 2005 Depuis 2005, membre du Comité de Nomination au Prix de la Sveriges Riksbank en Sciences Economiques à la mémoire de Alfred Nobel, Committee of the Nobel Prize in Economics
- 2002 Classé parmi les meilleurs relecteurs de Marketing Science
- 2000 Lauréat du Prix de l'Association Française du Marketing (AFM) pour Contribution Exceptionnelle à la Methodologie, Association Française de Marketing, France
- 1998 Chair of the Selection Committee for the Best Article Published in International Journal of Research in Marketing, European Marketing Academy
- 1990 Classé parmi les meilleurs relecteurs de Recherche et Applications en Marketing, Sage Publications

Complete stochastic models of consumer purchasing behavior, their contribution to the analysis of real markets: Udo Wagner Königstein/Ts, Verlag Anton Hain, 1985. 199 pp. DM 58 / Vollstochastische Kaufverhaltensmodelle, ihr Beitrag zur Analyse realer Märkte. International Journal of Research in Marketing.

## AUTRES ACTIVITES DE RECHERCHE

---

### Membre d'un comité de lecture

2008 - 2014 Business Research

1988 - 2009 International Journal of Research in Marketing

1985 - 2014 Recherche et Applications en Marketing

### Relecteur pour :

Computational Statistics and Data Analysis, IMA Journal of Management Mathematics, International Journal of Forecasting, Journal of Forecasting, Journal of Interactive Marketing, Journal of Marketing, Journal of Marketing Research, Journal of Product and Brand Management, Management Science, Marketing Letters, Marketing Science, The Polish Statistician

### Organisation d'une conférence

2014 Co-organisateur (avec H. Plassmann, S. Atalay et F. Sotgiu), du 35ème Anniversaire du séminaire ESSEC/HEC/INSEAD, France

2007 Co-organisateur de la Troisième Conférence Allemande-Française-Autrichienne sur le Marketing Quantitatif (avec L. Hildebrandt et U. Wagner), ESSEC Business School, France

2007 Co-organisateur du Neuvième Séminaire sur les Transports, "Discrete Choice Models: Applications to Marketing and to Transportation" (avec A. de Palma et N. Picard), Cergy-Pontoise, ESSEC Business School, France

2004 Co-organisateur du 25ème Anniversaire du Séminaire ESSEC/HEC/INSEAD, Cergy-Pontoise (March 4, 2004), avec G. Laurent and M. Sarvary, France

2003 Co-organisateur de la conférence "Bridging the Gap Between Marketing Models and Managers", Erasmus University Rotterdam, The Netherlands, avec P. H. Franses

Depuis 1980 Co-organisateur du séminaire annuel ESSEC/HEC/INSEAD

## Affiliations

- Depuis 1980 Membre de l'Association Française du Marketing (AFM)
- Depuis 1978 Membre du Institute for Operations Research and the Management Sciences (INFORMS)
- Depuis 1976 Membre, Econometric Society
- Depuis 1976 Membre, American Statistical Association (ASA)
- Depuis 1976 Membre, Institute of Mathematical Statistics (IMS)
