

Vincenzo ESPOSITO VINZI

Professeur

Département: Systèmes d'Information, Data

Analytics et Opérations

ESSEC Business School

3 avenue Bernard Hirsch

95021 Cergy-Pontoise

France

Email: vinzi@essec.edu

Numéro de téléphone: +33 (0)1 34 43 31 01

Pays d'origine: Italie

INTERETS DE RECHERCHE

Analyse des données statistiques, Econométrie, Théorie des probabilités et statistiques

FORMATION

1997 Ph.D. en Statistique et Informatique, Università di Napoli Federico II, Italie

1993 Master en Economie et Gestion, Università di Napoli Federico II, Italie

EXPERIENCE PROFESSIONNELLE

Positions académiques principales

2010 - Présent	Professeur, ESSEC Business School, France
2008 - 2012	Professeur Visitant, Università degli Studi di Cagliari, Italie
2007 - 2010	Professeur associé, ESSEC Business School, France
2007 - 2007	Professeur Visitant, HEC Paris, France
2001 - 2001	Professeur Visitant, Université Toulouse III Paul Sabatier, France
2000 - 2000	Professeur Visitant, Charles University, République tchèque
1997 - 2007	Professeur Associé de Statistiques, Università di Napoli Federico II, Italie

BOURSES, PRIX ET DISTINCTIONS

Prix et Distinctions

2014	Mention honorable, 8th International Conference on Partial Least Squares and Related Methods, pour son article "Quantile PLS Path Modeling" (avec C. Davino).
2012	Highly Commended Award Winner au Literati Network Awards for Excellence 2012, pour l'article (avec Guy Assaker) intitulé, "Modeling a Causality Network for Tourism Development: An Empirical Analysis" publié dans Journal of Modelling in Management.
2010	Article le plus cité (2005-2010) publié dans la revue "Computational Statistics and Data Analysis": PLS Generalised Linear Regression, Elsevier
2010	Prix de l'Article le plus cité 2005-2010. Computational Statistics and Data Analysis. PLS Path Modeling, Elsevier

- 2005 Lauréat du prix de l'enseignement "Pierre Vernimmen-BNP Paris Teaching Awards" 2005 à HEC School of Management pour la qualité de la relation pédagogique avec les élèves (programmes MBA et Doctorants), la méthode d'enseignement, la maîtrise des sujets enseignés, des qualités innovatives de leurs cours et de la qualités des outils d'enseignement utilisés, HEC Paris, France
- 2001 Prix ISOSS (Islamic Society of Statistical Sciences) en reconnaissance de sa contribution au développement des sciences statistiques, Islamic countries society for statistical sciences (ISOSS), Pakistan
- 2001 Honoré lors de la cérémonie des prix de l'enseignement "Pierre Vernimmen-BNP Paris" 2001 à HEC School of Management, HEC Paris, France

Bourses

- 1998 Bourse Post-Doctorale, Università di Napoli Federico II, Italie

AUTRES ACTIVITES DE RECHERCHE

Membre d'un comité de lecture

- 2011 - 2013 Statistical Methods and Applications
- 2009 - 2017 Advances in Data Analysis and Classification
- 2009 Applied Stochastic Models in Business and Industry
- 2007 - 2009 La Revue de MODULAD
- 2007 - 2017 Computational Statistics
- 2007 - 2017 Computational Statistics and Data Analysis

Organisation d'une conférence

- 2014 Co-président (avec G. Saporta) : 8th International Conference on PLS and Related Methods, France
- 2010 Membre du comité national d'organisation du 19e COMPSTAT (Computational Statistics) : Symposium organisé par l'IASC (International Association for Statistical Computing) à Paris, France
- 2010 Organisateur du 4e "SSEC-SUPELEC Research Workshop Series" sur le thème "PLS Developments": PLS and Related Methods for cutting-edge Research in Experimental Sciences: Methodological Advances and Challenging Applications (Cergy-Pontoise), France
- 2009 Organisateur d'un "Invited paper meeting" sur le thème "Capturing Unobserved Heterogeneity in Latent Variable Modelling", 57e session de l'International Statistical Institute (ISI 2009, Durban), Afrique du Sud

- 2009 Organisateur du 3e atelier "ESSEC-HEC Research Workshop Series" on "PLS Developments": PLS Path Modeling and other Component-based Approaches to Causal Networks and Multi-block Data Structures: Methodological Contributions and Applications with a focus on Marketing and the Management of Information Systems (Cergy-Pontoise), France
- 2008 Organisateur d'une "Invited Paper Meeting session" : COMPSTAT 2008 (Porto) sur le thème: "Models for Latent Class Detection"., Portugal
- 2008 Organisateur du 2e "ESSEC-HEC Research Workshop Series" sur "PLS Developments": Structural Equation Models, PLS Path Modeling and Multi-block Techniques in Sensory and Consumer Analysis - Methods, Applications and Software (Cergy-Pontoise), France
- 2008 Organisateur d'une "Invited Paper Meeting session" : GfKI 2008, sur le thème : "PLS Path Modeling".
- 2007 Organisateur et président d'un atelier de travail spécialisé à la 56e session de l'ISI sur le thème "Latent Class Analysis and Classification Issues" (Lisbonne), Portugal
- 2007 Organisateur du 1er atelier "ESSEC-HEC Research Workshop Series" sur le thème "PLS Developments": PLS Path Modeling in presence of a Group Structure: Multi-Group Analysis and Latent Class Detection - Methods, Applications and Software, France
- 2006 Membre du comité organisateur COMPSTAT'06 – 17th Symposium of IASC on Computational Statistics (Rome), Italie
- 2006 Membre du comité organisateur : IFCS'06 Conference: Data Science and Classification (Ljubljana), Slovénie
- 2005 Co-organisateur (avec C. Lauro) des "PLS track sessions" : 3e World Conference of IASC sur le thème : Computational Statistics and Data Analysis (Cyprus), Chypre
- 2005 Organisateur d'un "Invited Paper Meeting" sur le thème : "The PLS (Partial Least Squares) Approach in Data Analysis: new methods with validation and computational issues" for ISI'05 Conference (Sydney), Australie
- 2005 Co-organisateur avec C. Lauro de deux ateliers spécialisés sur le thème : "PLS Path Modeling, PLS Regression and Classification: New Methods and Applications" for the GfKI'05 Meeting of the Gesellschaft für Klassifikation (Magdeburg), Allemagne
- 2004 Organisateur et président d'une "invited session" sur le thème: "PLS Tools for Regression and Structural Modelling of Complex High Dimensional Data" at the COMPSTAT'04 Conference (Prague), République tchèque
- 2004 Organisateur et président de l'atelier : "PLS Methods for Sensory Analysis" at the "European Conference on Sensory Science of Food and Beverages" (Florence), Italie
- 2004 Organisateur et président d'une "Invited Session" de l'IASC lors de l'IFCS'04 (International Federation of Classification Societies) Conference - (Chicago), États-Unis
- 2003 Organisateur d'une "invited session" spécialisée sur le thème "PLS Structural Equation Modelling and Customer Satisfaction: Recent Advances in Methods and Applications" at the 13th International Meeting of the Psychometric Society (IMPS203) and 68th Annual American Meeting of the Psychometric Society (Chia Laguna), Italie

- 2003 Membre du comité national organisateur de l'Intermediate SIS Conference sur le thème : "Multivariate Statistical Analysis for Social Sciences, Economics, Natural Sciences and Technology" (Napoli), Italie
- 2001 Co-organisateur avec Carlo Lauro, Michel Tenenhaus et Alain Morineau, et secrétaire scientifique du 2e International Symposium sur PLS and Related Methods (Anacapri), Italie
- 2001 Responsable de l'organisation avec S. Balbi de la "International Summer School" de l'IASC (International Association for Statistical Computing) sur le thème : "Knowledge Discovery & Large Surveys Design and Analysis" (Anacapri), Italie

Affiliations

- 2013 - 2015 Vice-président de l'International Society of Business and Industrial Statistics (ISBIS), branche de l'International Statistical Institute (ISI)
- 2009 - 2013 Membre élu du comité de l'International Statistical Institute (ISI)
- 2003 - 2007 Président élu du conseil d'administration européen de l'International Association for Statistical Computing" (IASC), branche de la "International Statistical Institute" (ISI)
- Depuis 2002 Membre de l'Académie de recherche "Center for the Analysis of Complex ta" de la BeiHang University of Beijing
- Depuis 2007 Membre, AMS (The Academy of Marketing Science)
- Depuis 2006 Membre, ISBIS (The International Society for Business and Industrial Statistics)
- Depuis 2002 Membre, SFDS (Société Française de Statistique) et SFC (Société Française de Classification)
- Depuis 2000 ISI (International Statistical Institute) - membre élu
- Depuis 2000 Membre, CSNA (The Classification Society of North America)
- Depuis 2000 Membre, ENBIS (European Network for Business and Industrial Statistics)
- Depuis 1998 Membre, ASA (American Statistical Association)
- Depuis 1998 Membre, CLADAG - SIS Group of the IFCS (International Federation of Classification Societies)
- Depuis 1996 Membre, SIS (Italian Statistical Society)
- Depuis 1993 Membre, IASC (International Association for Statistical Computing)

Supervision de thèses / HDR

- 2016 Anatoli COLICEV (ESSEC Business School), Co-directeur de thèse, Premier Poste : Assistant Professor - Universita Bocconi Marketing dpt
- 2014 Abdolmanaf ZARGOUSH (ESSEC Business School), Directeur de thèse, Premier Poste : Assistant professor of Health Policy and Management - McMaster University.
- 2010 Guy ASSAKER (ESSEC Business School), Directeur de thèse, Premier Poste : Associate Professor - Lebanese American University

- 2010 Pietro DE GIOVANNI (ESSEC Business School), Membre de jury
- 2009 Gaston SANCHEZ TRUJILLO (Universitat Politècnica de Catalunya), Rapporteur
- 2008 Laura TRINCHERA (Università di Napoli Federico II), Directeur de thèse
- 2007 Emmanuel JAKOBOWICZ (Conservatoire National des Arts & Métiers (CNAM)), Rapporteur

Autres activités de recherche

- 2011 Président du jury du "ISI Mahalanobis Award" dans le cadre du "ISI World Statistics Congress", Dublin,
- 2001 - 2003 Membre de l'unité de recherche du projet EUROSTAT "VITAMIN-S" : Visual Data Mining System
- 2001 - 2003 Membre de l'unité de recherche du projet EUROSTAT "ASSO" : Analysis System of Symbolic Official Data
- 2001 - 2003 Membre de l'unité de recherche du projet EUROSTAT Project "ERMIS": Electronic Commerce Measuring with Intelligent Agency
- 2001 - 2004 Responsable scientifique du projet EUROSTAT "European Satisfaction Index System - ESIS" : Methodological development, implementation and use of PLS Path Modeling in the domain of Customer Satisfaction Measurement
- 1998 - 2000 Directeur de l'unité de recherche ESPRIT European Project : "System for Automatic Seasonal Adjustment and Forecasting of Time Series – TESS"
- 1998 - 2000 Membre de l'unité de recherche ESPRIT European Project "ISO-3D" : développement méthodologique et mise en œuvre d'un système visant à l'interprétation des objets symboliques dans les représentations 3D
- 2013 Membre du comité scientifique de la conférence européenne "Data Analysis" organisée avec la "German Classification Society" (GfKI) et la "French speaking Classification Society" (SFC) – track Data Analysis in Marketing, Luxembourg
- 2010 Membre du comité scientifique du ERCIM'10 (3rd International Conference on Computing & Statistics (Senate House, London), Royaume-Uni
- 2009 Co-président du comité de programme scientifique du 6e "International Symposium on PLS and Related Methods" (PLS'09, Beijing), Chine
- 2009 Co-président du Comité de programme scientifique de ISBIS (International Society for Business and Industrial Statistics, 2009) sur le thème : Quantitative Methods for Banking and Finance, Environment, Services for SMEs, Transport and Tourism (Cagliari), Italie
- 2008 Membre du comité scientifique international de l'IASC 2008 - Joint Meeting of the 4th World Conference of the IASC and 6th Conference of the Asian Regional Section of the IASC on Computational Statistics & Data Analysis (Yokohama), Japon
- 2008 Membre consultatif du comité de programme scientifique : 18e COMPSTAT Symposium, Conference of the International Association for Statistical Computing (IASC, Porto, Portugal
- 2008 Membre du comité de programme scientifique : GfKI 2008 - 32e Annual Conference of the German Classification Society sur le thème "Advances in Data Analysis, Data Handling, and Business Intelligence" (Hamburg, Allemagne

- 2008 Membre du comité de programme scientifique : HDM-2008, International Conference on Multivariate Statistical Modeling and High Dimensional Data Mining (Kayseri (Caesarea)), Turquie
- 2008 Membre du comité de programme scientifique : CLADAG 2008, Joint Scientific Meeting of the Classification and Data Analysis Group of the Italian Statistical Society and Société Francophone de Classification (Capua (CE)), Italie
- 2007 Membre du comité international scientifique : PLS'07, 5th International Symposium on PLS and Related Methods – Causalities explored by indirect observations (Oslo), Finlande
- 2007 Membre du comité scientifique : CLADAG School sur le thème "Multivariate Statistical Methods for the Analysis of Clustered Data" (Bologne), Italie
- 2007 Président du comité de programme de l'IASC (International Association for Statistical Computing) : 56e ISI (International Statistical Institute) Conference (Lisbonne), Portugal
- 2006 Co-président du comité directeur de l'IASC-INTERFACE-IFCS International Workshop sur le thème "Knowledge Extraction and Modeling" - KNEMO'06 (Anacapri), Italie
- 2005 Member du comité directeur : PLS'05, 4e International Symposium on PLS and Related Methods, (Barcelona), Espagne
- 2005 Membre du comité de programme scientifique pour les sessions organisées lors de la 55e ISI (International Statistical Institute) Conference – Sydney, Australie
- 2004 Membre du comité de programme scientifique : SAS Campus 2004 Conference (Florence, Mai 2004). Membre du comité de programme de l'IFCS Conference (Chicago), États-Unis
- 2003 Co-président du 3e International Symposium sur PLS and Related Methods – Focus on Customers (PLS'03, Lisbonne), Portugal
- 2003 Membre du comité organisateur : IASC-IFCS Summer School sur le thème "Data Mining and Classification for Business and Industry: methods, computational issues and applications" (Lisbonne), Portugal
- 1998 Secrétaire scientifique de la 3e International Conference sur les "New Techniques and Technologies for Statistics" organisée conjointement avec EUROSTAT, the Department of Mathematics and Statistics of the University of Naples et ISTAT (Italian National Statistical Institute), Italie
- 1997 Membre du comité national d'organisation et secrétaire scientifique du "VIIIe International Symposium on Applied Stochastic Models and Data Analysis" (Anacapri), Italie
