RESEARCH INTERESTS

Marketing Models, Consumer Behavior, Marketing and Data Analytics

EDUCATION

1978	Ph.D. in Management, Purdue University, United States of America
1973	MBA, Columbia University, United States of America
1971	MSc. in Management, ESC Marseille, France

EMPLOYMENT

Full-time academic positions

2021 - Present	Emeritus Professor, ESSEC Business School, France
1980 - 2021	Professor, ESSEC Business School, France

Other affiliations and appointments

2004 - 2004	Visiting Professor, Institute of Management, University of Vienna, Austria, March 2001 and May 2004, University of Vienna, Austria
2001 - 2001	Visiting Professor, University of Vienna, Austria
1982 - 1982	Visiting Scholar, Stanford Graduate School of Business, United States of America
1978 - 1980	Assistant Professor, University of Chicago, United States of America

GRANTS AND HONORS

Awards and Honors

2021	Invited by Amity University in Delhi to give an online lecture to the faculty and students on its eleven campuses in India and abroad, which represents 175,000 individuals., Amity University
2017	Certificate of Outstanding Contribution to Reviewing, International Journal of Research in Marketing
2016	Outstanding reviewer, International Journal of Research in Marketing
2016	Keynote Speaker, PsyCHIC (Psychology, Consumer Heterogeneity, Information and Communication) Workshop, University of Paris 13, Université Sorbonne Paris Nord,

France

2014	Top 10% most published authors over the past 50 years at Journal of Marketing Research (Source: "The Topical History of JMR," Journal of Marketing Research, Feb' 2014). Ranked seventh in centrality parameter in an influential community among more than 30,000 scholars in quantitative marketing (Customers' Needs and Solutions, 2015, pp. 91-104), Sage Publications
2005	Member of the Selection Committee for the Best Paper published in International Journal of Research in Marketing, European Marketing Academy
2005	Since 2005, Member of the Nomination Committee of the Nobel Prize in Economics on a steady basis, Committee of the Nobel Prize in Economics
2002	Ranked among the top reviewers at Marketing Science
2000	Award received from the French Marketing Association (AFM) for: Outstanding Contribution to the Methodology (Contribution Exceptionnelle à la Methodologie), Association Française de Marketing, France
1998	Chair of the Selection Committee for the Best Article Published in International Journal of Research in Marketing, European Marketing Academy
1990	Ranked among the top reviewers at Recherche et Applications en Marketing, Sage Publications
