

Marie KRATZ

Professor

Department: Information Systems, Decision

Sciences and Statistics

ESSEC Business School

3 avenue Bernard Hirsch

95021 Cergy-Pontoise

France

Email: kratz@essec.edu

Phone number: +33 (0)1 34 43 36 43

Country of origin: France

RESEARCH INTERESTS

Probability Theory & Mathematical Statistics, Risk Modelling & Actuarial Science, Applied

EDUCATION

- | | |
|------|--|
| 2013 | Master in Actuarial Science: SAFIR-SAF, Claude Bernard University Lyon 1, France |
| 2005 | HDR, Université Paris 1 Panthéon-Sorbonne, France
<i>On extreme behaviors of stochastic processes</i> |
| 1993 | Doctorate in Applied Mathematics, Université Pierre et Marie Curie (UPMC), France
<i>Statistics of tails of distributions and Poisson approximation</i> |

EMPLOYMENT

Full-time academic positions

- | | |
|----------------|--|
| 2013 - Present | Fellow of the French Institute of Actuaries, Institut des Actuaire, France |
| 2011 - Present | Full Professor, ESSEC Business School, France |
| 2006 - 2011 | Associate Professor, ESSEC Business School, France |

Other affiliations and appointments

- | | |
|----------------|--|
| 2013 - Present | Director of CREAR - Center of Research in Econo-finance and Actuarial Science on Risk, ESSEC Business School, France |
| 2012 - 2016 | Scientific Coordinator of the European Project 'RARE' - Risk Analysis, Ruin and Extremes - FP7-PEOPLE-2012-IRSES - Marie Curie Actions, which aims to strengthen research partnerships through staff exchanges and networking activities between European research organizations and research organizations from other countries. (12 partners), ESSEC Business School, France |
| 2012 - Present | Director of the ESSEC-ISUP actuarial track, ESSEC Business School, France |
| 2011 - 2015 | Director of the research program ESSEC - SWISS LIFE "Consequences of the population ageing on the insurances loss. Impacts on the automobile prevention", ESSEC Business School, France |
| 2011 - 2014 | Director of the Research program with SWISS LIFE on: Consequences of the population ageing on the insurances loss. Impacts on the automobile prevention, ESSEC Business School, France |
| 2008 - 2012 | Co-responsible of the ESSEC-ISUP actuarial track, ESSEC Business School, France |

2017 - 2020	Part-time Visiting Professor, Lund University. School of Economics and Management. Statistics Department, Sweden
2013 - Present	Affiliated member to RiskLab, ETH Zurich, Switzerland
2012 - 2012	Internship at FINMA, Swiss Financial Market Supervisory Authority, Swiss Financial Market Supervisory Authority FINMA, Switzerland
2006 - Present	Member of GDR 3477 - Stochastic Geometry - see http://gdr-geostoch.math.cnrs.fr , CNRS - Centre national de la recherche scientifique,
2004 - 2009	Member of MAP5 (Applied Mathematics), UMR8145, Université Paris Descartes (Paris V), France
1999 - 2000	Delegation C.N.R.S. (SAMOS-MATISSE, UMR 8595, CNRS - Centre national de la recherche scientifique, France
1994 - 2006	Assistant, then associate professor, Université Paris Descartes (Paris V), France

GRANTS AND HONORS

Awards and Honors

2013 Fellow of the French Institute of Actuaries, Institut des Actuaires, France

Grants

2018 International chair labex MME-DII & ESSEC CREAR on Risk Analysis & Management, held by Dr. Michel Dacorogna, ESSEC CREAR, France

2017 ETH Risk Center, ETH Zurich, Switzerland

2017 Monash University, School of Mathematical Sciences & Center for Modelling of Stochastic Systems (CMSS), Monash University, Australia

2016 Institute for Mathematical Research (FIM), ETH Zurich, Switzerland

2016 Visiting scholar and Member of the advisory board of QRFE, Durham University, United Kingdom

2014 Labex MME-DII, Labex MME-DII, France

2014 Tata Institute for Fundamental Research (TIFR, India), by a grant from the Indo-French Center for Applied Mathematics (IFCAM) for a research project between M. Kratz & S. Vadlamani, Tata Institute for Fundamental Research

2012 European FP7-RARE project

2012 FP7-PEOPLE-2012-IRSES - Marie Curie Actions, European Union, Belgium

2010 Ceressec Research projects grants

OTHER RESEARCH ACTIVITIES

Editorial Board Membership

2019 - 2023 REVSTAT Statistical Journal

Organisation of a conference

2021 ARLEStat organized session, CFE--CMS conference 2021, United Kingdom

2021 Colloque Actuariat SCOR & IA2021, Institut des Actuaire, France

2021 Assurabilité des risques cyber, 1er Colloque International de l'Actuariat Francophone

2021 Invited session - Stochastic Analysis in Mathematical Finance and Insurance, IMS - Bernoulli Society

Since 2021 ARLES series of seminars, ARLES partners

Since 2020 International round table on Key Issues and Challenges for Actuarial Science - Bringing Together Academics and Practitioners, International Actuarial Colloquium (Virtual),

2019 Can Stochastic Geometry handle Dynamics of Risk Management?, ESSEC Business School, France

2018 'Cyber risks – Threats and Opportunities for the Asia Pacific Insurance Industry', 4th SAS ERM - ESSEC CREAR Conference, Singapore

2018 Can Stochastic Geometry handle Dynamics of Risk Management?, Lund University. School of Economics and Management. Statistics Department, Sweden

2016 'Lois Scientifiques et Modèles Mathématiques: de la physique à l'actuariat', Colloquium SCOR-IA, Paris

2016 'Financial risk: Black Swan or Opportunities?', ESSEC Business School, France

2016 Concluding International 'RARE' Conference on Risk Analysis, Ruin theory, Extremes, La Baule (CREAR, with the support of Swiss Re, Institut des Actuaire, SCOR science foundation, Bank of England, AMIES-IA, IFoA, BFA-SFdS), France

- 2015 International Round Table on New IFRS rules : Actuaries meet Accountants, Paris La Défense (CREAR, with the support of Labex MME-DII, Institut des Actuaire & BFA-SFdS)
- 2014 Mini-workshop "Small data " (CREAR & BFA-SFdS), 13ème Congrès des Actuaire, Paris
- 2014 International Actuarial Colloquium (Virtual), co-organizer (member of the Scientific Committee)
- 2012 ESSEC CREAR - SWISS LIFE conference: 'Risk, Insurance and Longevity', ESSEC La Défense
- 2010 BFA - SFdS & ESSEC WG Risk: 'Financial Regulation' , Paris, France
- Since 2009 Organizer of the Working-Group-on-Risk (CREAR series of fortnightly seminars), ESSEC Business School, France
- 2009 European workshop on EVT & Finance - Paris La défense, France
- 2009 Workshop on Models and Images for Porous Media - Paris, France
- 2006 - 2012 Co-organizer of the IDS department research seminar, ESSEC Business School, France

Affiliations

- 2006 - 2009 Member of the ANR MiPomodim and the Working Group on Random Porous Media Modelling (Paris Descartes)
- 2005 - 2011 Responsible in Paris Descartes of the GREFI-MEFI (European Research Group Franco Italian - Matematica Fisica)

PhD Supervision

- 2024 S. SINGHA (TIFR–CAM), Thesis co-director, First Placement: Postdoc at Telecom Paris, IP Paris
- 2024 D. DOROBANTU (Claude Bernard University Lyon 1), Thesis referee
- 2023 G. ZELLER (Technische Universität München), Thesis referee
- 2023 M. ABAACH (Université Paris Cité), Thesis referee
- 2022 G. BURITICA (Sorbonne Université), Thesis jury president
- 2022 C. SPYCHALA (Université de Franche-Comté), Thesis referee
- 2020 M. Bräutigam (ESSEC Business School), Thesis director
- 2019 A. LY (Université Paris-Est Marne-la-Vallée (UPEM)), Thesis jury member
- 2017 M. BENTLEY (Monash University), Thesis referee
- 2016 M. Cadena (ESSEC Business School), Thesis director
- 2015 N. Debbabi (URCA), Thesis co-director

- 2015 A. CUBEROS (Claude Bernard University Lyon 1), Thesis referee
- 2014 M. E. GARCÍA GARALUZ (Universidad de Malaga), Thesis jury member
- 2013 N. CHEVANIER (University of Rouen), Thesis jury president
- 2008 G. TOULEMONDE (Université Pierre et Marie Curie (UPMC)), Thesis referee
- 2004 M. ATENCIA (Universidad de Malaga), Thesis referee
- S. AKA (LSCE, CEA-CNRS), Thesis co-director

Other research activities

- 2006 - 2009 Member of MIPOMODIM (Project ANR blanc - NT05-1_42030)
- Since 2015 Member of the Advisory Board of QRFE, Durham Business School, United Kingdom
- 2014 - 2016 Member of the ANR Ameriska on the Analysis of Multivariate Extremes and RISKS Assessment
- Since 2014 Member of the Scientific Committee of the IRFRC Conference, NTU Singapore
- Since 2013 Member of the Scientific Committee of ISUP-UPMC

TEACHING EXPERIENCE

- 2019 Cyber risk, ETH Risk Center, Suisse
- 2017 CFA France Research Workshop, 'A self-Calibrating Method for Heavy Tailed Data
- 2017 Singapore Actuarial Society Forum on 'Overview of Copulas for Actuaries in
- 2017 1/2 day workshop on 'EVT and its Application to finance and insurance',, ETH Risk
- 2017 Mini-workshop on 'Modeling and Backtesting Heavy Tailed Data', Durham
- 2016 'An implicit backtest for Expected Shortfall via a simple multinomial approach', Bank
- 2016 'A self-Calibrating Method for Heavy Tailed Data Modeling', Swiss Re, Suisse
- 2016 Two days executive seminar on Quantitative Risk Management, National Institute of
- 2013 'An Introduction to Quantitative Risk Management' - course given at the Summer

PROFESSIONAL ACTIVITIES

Other professional activities

- 2022 - Present ENISA (European Union Agency for Cybersecurity)
- 2021 - Present Fondation 'La Science Statistique', Fondation "La Science Statistique", France
- 2010 - Present Member of the Banque, Finance, Assurance - BFA group - SFdS (President until 2017), Société Française de Statistique (SFdS), France
- 2007 - Present SFdS - Société Française de Statistique

- 1997 - Present Affiliated member of the Bernoulli society, IMS - Bernoulli Society
- 1994 - Present BERNOULLI SOCIETY (for Mathematical Statistics and Probability- ISI section), International Statistical Institute, Netherlands
- 2017 Experts forum: Singapore Actuarial Society forum, 'Overview of Copulas for Actuaries in Management', Singapore
- 2016 - Present Research experts forum (invited panelist), fringe event to the IFoA Asia conference, Kuala Lumpur, Malaysia
- 2015 Round table of senior experts to discuss key issues and challenges that researchers of risk and practitioners from industries, perceive as significant over the next few years (Invited panelist by the IFoA), London, United Kingdom
- 2014 Experts Forum on Risk Measures and Regulation in Insurance, Swiss Re Learning Center (by invitation), Zurich, Switzerland
- 2012 Workshop on Statistical Applications to Climate Extremes, Zurich Development Center (by invitation), Zurich, Switzerland

SERVICE

- 2021 - 2024 Elected member of the Board of Overseers, ESSEC Business School, France
- 2019 - 2021 Teaching Committee, ESSEC Business School, France
- 2016 - 2021 Statistics faculty recruitment
- 2008 - 2014 Statistics faculty recruitment, ESSEC Business School, France
