

Mohamed NDAOUD

Associate Professor

Department: Information Systems, Data

Analytics and Operations

ESSEC Business School

3 avenue Bernard Hirsch

95021 Cergy-Pontoise

France

Email: mohamed.ndaoud@essec.edu

Phone number: 0134433656

Country of origin: France

RESEARCH INTERESTS

Statistical Data Analysis, Decision Sciences, Probability Theory & Mathematical Statistics,

EDUCATION

- | | |
|------|-------------------------------------------------------------------------------------------------------------|
| 2019 | Doctorate in Mathematical Statistics, University Paris-Saclay, France
<i>High dimensional statistics</i> |
| 2016 | Master of Science, Finance, Université Pierre et Marie Curie (UPMC), France |
| 2015 | Master of Engineering, Mathematics, École Polytechnique, France |

EMPLOYMENT

Full-time academic positions

- | | |
|----------------|----------------------------------------------------|
| 2024 - Present | Associate Professor, ESSEC Business School, France |
| 2021 - 2024 | Assistant Professor, ESSEC Business School, France |

Other affiliations and appointments

- | | |
|-------------|-------------------------------------------------------------------|
| 2021 - 2027 | Chaired Professor « Data Science », ESSEC Business School, France |
|-------------|-------------------------------------------------------------------|

GRANTS AND HONORS

Awards and Honors

- | | |
|------|---------------------------------|
| 2020 | IMS New Researcher Travel Award |
| 2019 | Best Student Paper Award |

Grants

- | | |
|------|------------------------------------------------------------------------------------------------|
| 2020 | Zumberge Individual Award 2020, University of South California (USC), United States of America |
|------|------------------------------------------------------------------------------------------------|
