RESEARCH INTERESTS

Management of Information Systems, Business intelligence, analytics, and artificial intelligence (AI),

EDUCATION

2012	Accreditation to supervise research, Paris-Dauphine, PSL University, France
1999	PhD in Information Systems, Paris-Dauphine, PSL University, France
1991	Specialized Master in Information Systems, ESSEC Business School, France
1990	MSc in Management, ESSEC Business School, France

EMPLOYMENT

Full-time academic positions

2006 - Present	Associate Professor, ESSEC Business School, France
1999 - 2006	Assistant Professor, ESSEC Business School, France

Other affiliations and appointments

2025 - 2026	Head of the Digital transformation and digital business Track, ESSEC Business School, France
2020 - 2022	Academic director / Pedagogical Head, ESSEC Business School, France
2017 - 2019	Pedagogical head of the information systems track, programme "Management & gestion des organisations" (executive education), ESSEC Business School, France
2013 - 2017	Academic director of the programme "Management of information systems" (executive education), ESSEC Business School, France
2012 - Present	Head of the Information Systems Track, ESSEC Business School, France
2007 - 2010	Head of the department of Information systems and decision sciences, ESSEC Business School, France
2005 - 2013	Professor in charge at ESSEC of the Master in Research SID (Information and Decision Systems), in conjunction with University of Panthéon-Sorbonne and CNAM, ESSEC Business School, France
1995 - 1999	Lecturer, ESSEC Business School, France

2015 - 2015	Visiting researcher, MIT Sloan School of Management, United States of America
2015 - 2015	Visiting researcher, University of Alicante, Spain
2014 - 2014	Visiting researcher, University of Alicante, Spain
2007 - 2007	Visiting researcher, MIT Sloan School of Management, United States of America
1999 - 1999	Lecturer, École Supérieure des Affaires (ESA), France

GRANTS AND HONORS

Awards and Honors

| 2013 | Qualification to the function of full Professor in the French University system (Computer Science) |
